

Search and Interim Placement Services

MONTGOMERY PROFESSIONAL SERVICES CORPORATION

**Reliable Professional Level Experts
Available to Support You When Needed
for Interim Assignments or on a Full-Time Basis**

Interim Placement

Our temporary services practice specializes in delivering professional level talent to support clients in any of the following scenarios:

- Satisfy short term project requirements
- Manage and staff longer term specialty project initiatives
- Fill in for absent employees (sabbaticals, extended vacations, etc.
- Provide an interim solution for a specific role while a full-time hire is sought

Our thorough candidate database allows for quick turnaround. In many cases we will have a talented professional in the seat the very next day.

Search Services

Focused on the identification, evaluation, attraction and placement of qualified professionals on a full-time basis for staff, management and executive levels within a growing enterprise. We specialize in hard to find talent for highly specific roles.

Our Interim and Search services are concentrated on the following types of positions. We have thousands of industry experienced candidates ready to take on any of these roles.

- CFO
- Financial Systems Consultant
- Financial Director
- Controller
- General Accounting Manager
- Staff Accountant
- Account Analyst
- External Reporting Manager
- Treasurer
- HR management/Staff
- On-site recruiter

*"We are not
just a staffing agency,
but a solutions provider.
If you have a challenge involving people,
we can help."*

Rick Giorgetti, President/CEO
