MPSC ANNOUNCES FINANCIAL VETERAN, FRANK BODIE HAS JOINED THE FIRM AS MANAGING DIRECTOR, FINANCE AND ACCOUNTING SERVICES - SACRAMENTO REGION

SAN JOSE, Calif. (September 25, 2003) – Montgomery Professional Services Corporation (MPSC) recently announced that Frank Bodie has joined the firm as its Managing Director, Finance and Accounting Services in the Sacramento region, according to Rick Giorgetti, President and CEO of MPSC.

Mr. Bodie is a senior financial executive with over 35 years of broad-based experience with private and public, domestic and multi-national companies ranging in size from start-up to the Fortune 500.

According to Giorgetti, “Frank Bodie brings the seasoned talent, business connections and credibility we were looking for in our Sacramento expansion process. We are expecting great things from his efforts and welcome him to our successful and growing MPSC team.”

Mr. Bodie is responsible for expanding new business opportunities for the entire MPSC suite of services, the recruitment of staff and management of finance and accounting engagements in the Sacramento region.

Prior to joining MPSC, Bodie had a highly successful career in public accounting with PriceWaterhouseCoopers (formerly Coopers & Lybrand) beginning in 1968. Prior to relocating to Sacramento in 1983, Mr. Bodie was a leader of the Emerging Business Practice which focused on new, early stage and medium sized companies in the Silicon Valley. Mr. Bodie was the Managing Partner of the Sacramento office from 1983 to 1991. He then took an international role as US Regional Partner based in Brussels, Belgium. For the last 10 years, Mr. Bodie has been consulting with a number of companies in Belgium and the United States and was most recently Vice President, Finance, CFO, Treasurer and Secretary of Varatouch Technology Incorporated in Sacramento.

Mr. Bodie earned a BS in Business Administration (Accounting) from UC Berkeley, an MBA from San Jose State University and is a CPA (inactive). A resident of Granite Bay, Mr. Bodie has been highly involved in the community including serving on the Boards' of Directors of Junior Achievement and Business Volunteers in the Arts as well as president of the Sacramento Symphony Association. He also has been active with the California State University, Sacramento as Chairman, Accounting Advisory Council and the Business School Advisory Council, with similar roles at Chico State University and San Jose State University.

About Montgomery Professional Services Corporation:
